

CHRYSLER

2001 NEON

A new family has moved onto the street. 300M: purebred descendant of the legendary letter series. LHS: elegance in the pursuit of the extraordinary. Concorde: Cab-Forward design, continuously refined. Intrepid: the cutting-edge performance sports sedan. PT Cruiser: audaciously retro, superbly functional. Neon: sophisticated, stylish and practical. Town & Country: the culmination of the Chrysler minivan heritage. And now, three new members of the Chrysler family. Sebring Sedan: the distinctively Chrysler sedan with a Euro racing flavour. Sebring Coupe: elegant styling, sporty stance and exacting agility. Sebring Convertible: the next generation of North America's best-selling* convertible.

From left: PT Cruiser • Intrepid • 300M • LHS • Town & Country • Concorde • Sebring Sedan • Sebring Coupe • Sebring Convertible • Neon

*Based on new-vehicle registrations from 1996 through 1999.

2001 Chrysler Neon blends the fun and agility of a sports sedan with the maturity and substantial feel that define the new breed of Chrysler passenger cars. Using advanced computer technology, the designers were able to visualize, evaluate and refine every aspect of the vehicle before a prototype was even made. This, in turn, allowed for rigorous real-world testing with special attention paid to the way Neon smooths-out roads and straightens curves, as well as the way Neon can slow things down in a hurry with an advanced braking system. Put all the components together and the result is a sleek and sculpted silhouette and a surprisingly spacious and rich interior. Of course, the new Neon R/T Sedan, with its 150-horsepower engine, five-speed transmission, Sport suspension and Performance tires, builds on the competition-proven Neon tradition of a spirited front-runner that's pure fun to drive.

ABOUT THIS CATALOGUE:

Since the time of printing, some of this information may have been updated. Ask your retailer for details before ordering. Some of the equipment shown or described throughout this catalogue is available at extra cost.

Chrysler is a registered trademark of DaimlerChrysler Canada Inc., a wholly owned subsidiary of DaimlerChrysler Corporation.

Chrysler Neon LX shown in Bright Silver Metallic.

Racing-inspired Chrysler Neon R/T features an exclusive High-Output 2.0-litre SOHC 16-valve four-cylinder engine that unleashes a powerful 150 horsepower combined with performance-oriented underpinnings... enough muscle to outperform many more expensive cars in its class.

CHRYSLER R/T

Chrysler Neon R/T shown in Black.

The spacious Chrysler Neon interior can be most aptly described as Cab-Forward architecture in action. Everything from seat height and shifter access to front and rear visibility has been evaluated to help provide the most comfortable and secure driving experience possible.

Chrysler Neon R/T interior with leather-faced seating shown in Dark Slate Grey.

Four-Disc In-Dash CD Player

Console Letter Holder

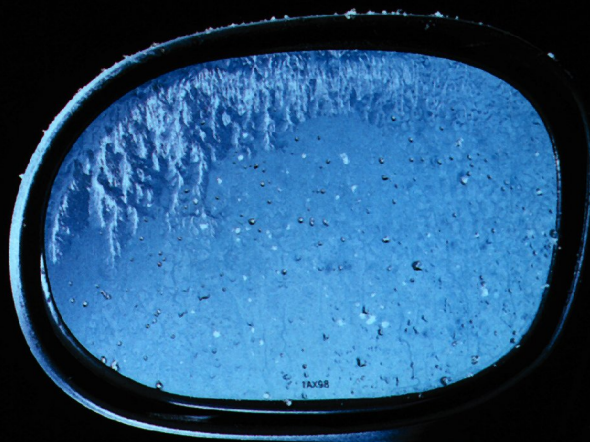

Centre Console with CD Holder

THOUGHTFUL FEATURES

Chrysler Neon delivers a very satisfying driving experience with features you would expect to find in a much more expensive sedan. For example, the centre console features space for tapes and CDs as well as special mouldings for holding anything from tissues and beverages to a litter bag. You'll also appreciate the large map pockets that can hold more than just maps, and the spacious glove box with

Heated Exterior Mirrors

Split-Folding Rear Bench Seat (LE Fabric Shown)

Door-Integrated Map Pockets

There are cup holders that can handle anything from a can of soft drink to really big mugs. Headlamp and turn signal switches are conveniently located on the steering column stalk. There are even the available exterior heated power mirrors that quickly melt away ice and snow. And, as you would expect, the stereo with available in-dash four-disc CD player sounds as good as it looks with two dash-mounted tweeters and four speakers working in harmony to produce exceptional sound quality.

designed-in features like pen and tire gauge holders. For those of you who want to get away from it all, the fully carpeted trunk (with a thoughtful trunk lamp) offers 371 litres (13.1 cubic feet) of luggage capacity. The trunk even has an Inside Emergency Trunk Lid Release handle. Need more space? Just flip down the 60/40 split-folding rear seatbacks to transport anything from skis to lumber. Of course, Chrysler Neon is also packed with the features that turn a casual drive into a moving experience.

Glove Box

ALL CHRYSLER NEON MODELS INCLUDE:

- Air Bags*** – Next-Generation, driver and front passenger

Leasing for Today's Lifestyles

A DaimlerChrysler Financial Services Gold Key Lease offers a number of advantages including: lower monthly payments; a shorter term; payment and term flexibility; and various lease-end options.

DaimlerChrysler Canada University/College Graduate Rebate Program

Eligible students graduating from an accredited Canadian university or college are eligible for a rebate from DaimlerChrysler Canada upon the purchase or lease of a select new Chrysler, Dodge or Jeep® vehicle. See your retailer for details.

Physically Challenged Assistance Program

This program provides assistance towards the cost of purchase and installation of adaptive driving aids or passenger equipment on new vehicles. See your Chrysler, Dodge, Jeep retailer for details.

DaimlerChrysler Canada Service Contracts

Optional DaimlerChrysler Canada service contracts can provide owners with additional peace of mind. They are available in a variety of time and distance combinations to meet your particular ownership needs for your Chrysler, Dodge or Jeep vehicle.

Financing Assistance

DaimlerChrysler Financial Services offers qualified buyers a wide variety of new vehicle purchase financing plans, including Retail Financing, Gold Key Lease and University/College Graduate Plans.

Mopar Parts

When replacement parts are needed, be sure to specify genuine Mopar parts – the first choice of DaimlerChrysler engineers. Warranties range from 12 months unlimited metrage to lifetime. Ask for details.

FIVE STAR

Introducing The Five Star Experience:

A Fresh Approach to Buying and Servicing Cars and Trucks.

Five Star is the highest recognition DaimlerChrysler Canada can award its dealerships for excellence in customer service. It's an ongoing commitment to continuously improve the way they do business by following a strict set of training, facility and process requirements designed to put you, the customer, in charge throughout your entire ownership experience. After all, they know the only way to get your business, and keep your business, is by making sure you're completely satisfied each and every time you visit their dealership. So, for your next vehicle purchase or lease, visit your nearest Chrysler, Dodge, Jeep® retailer and see for yourself how committed they are to you every day, in every way.

Introducing Five Star Protection:

Our Commitment Goes a Long Way.

Warranty coverage is an important part of the ownership experience. DaimlerChrysler Canada's 2001 warranty is designed to be simple and straightforward, while providing coverage that meets the needs of Canadian drivers. It's this simple – basic coverage is for 3 years or 60,000 kilometres,* which includes rust-through coverage for all body sheet metal for 3 years, plus powertrain coverage for 5 years or 100,000 kilometres.* In addition, DaimlerChrysler Canada will provide a 24-hour roadside assistance plan for 5 years or 100,000 kilometres.* Combine this level of protection with our Five Star philosophy and it's easy to see that your Chrysler, Dodge, Jeep retailer is committed to providing the most satisfying buying and servicing experience in the business.

The logo consists of a large, stylized number '5' followed by the number '100' in a bold, italicized font. Both numbers are white with a black outline.

*Whichever occurs first. Some conditions apply. See your retailer for more details.
